clue why the man doesn't want his \$1 million.

While that's the biggest chunk of change currently on the state's books waiting to be returned to the rightful owners, McDonald has a total of \$45 million that he would like to give back to people.

"We want to give it away, we want to give it back, we want

cates of deposit.

They even forget where they had a safe-deposit box.

And after five years of inactivity, the financial institutions are required to turn over the property to the state, which tries to find owners for a year, then holds an auction and stashes the money away in the person's name.
